

# 2010 MICHAEL SMITH LABS TEACHER CONFERENCE - BIODIVERSITY EDITION!

9am to 3:30pm, Friday October 22nd, 2010  
Michael Smith Building (main floor), 2185 East Mall, University of British Columbia

2010 International Year of Biodiversity

The Michael Smith Laboratories are pleased to announce a one day Scientific Conference designed for high school teachers (Grades 8 to 12). This event held on October 22nd, 2010 will showcase various **biodiversity** themed pursuits, including the opportunity to engage in hands-on activities, as well as interact with some prominent academics in the field.

This event is held annually on the province wide Pro-D day. We can accommodate up to 90 teachers and registration is free of charge. To enroll, please fill the online form here:  
**<http://www.bioteach.ubc.ca/registration-for-2010-msl-teacher-conference/>**  
Space will be available on a first come first served basis. We especially encourage the registration of teachers who are interested in hands-on teaching activities.

Additional detail on program and biographies of participating academics can be found at:
