REGISTER ONLINE!

The Michael Smith Laboratories are pleased to announce a one day Scientific Conference designed for high school students (Grades 8 to 12). This event held on Friday March 8th, 2013 will showcase various **science** themed pursuits, including the opportunity to engage in hands-on activities, as well as interact with some prominent academics in the field.

This event is held annually at the Michael Smith Labs. We can accommodate up to 100 students and registration is free of charge. To enroll, please fill the online form here:
